ASSET ALLOCATION AND INVESTMENT

Our highly qualified and experienced team members bring specialist input into asset management and real estate ventures for our clients, whether this be the acquisition of portfolios, new developments or revitalization of problematical assets.

THE SERVICES RANGE FROM PROJECT AND COST MANAGEMENT THROUGH TO TECHNICAL DUE DILIGENCE AND ASSET MANAGEMENT AND ADVICE ON REDEVELOPMENT AND OPTIMIZATION OF LARGE REAL ESTATE PORTFOLIOS. OUR CLIENTS ARE BOTH INTERNATIONAL AND LOCAL INVESTORS, DEVELOPERS AND FINANCIAL INSTITUTIONS.

Within the project management and construction consultancy markets, Oruga Group has demonstrated its credentials as a highly reputable and professional service provider: a position attained in all sectors where we operate. Our professional capabilities are demonstrated through expert advice and management support for our clients - from the decision-making phase at project outset through, procurement to completion and commissioning of the new property. During all phases of our projects, we keep open communications with our clients, to ensure meeting their requirements and finding the perfect solutions, as well as assuring the success of the venture.

Years of wide range of experiences allow Oruga Group to be able to offer high-standard of professional service. Our interdisciplinary expertise and knowledge of international and local markets are the basis for providing tailor-made and cost-effective solutions to our clients.

PROJECT MANAGEMENT

Our main focus is the coordination and monitoring of all phases of our projects. Through our close cooperation with clients, we are able to convert their wishes into binding commitments from the project team, integrate such into the project phases, remaining alert to possible alternative solutions at all times.

COST MANAGEMENT

In order to ensure stringent control of costs, our Cost Management systems are designed to ensure that costs are accurately calculated, expenditure is monitored and if required, options and alternatives are considered on a continual basis.

TECHNICAL ASSET MANAGEMENT

The Technical Asset Management service is designed to improve and optimize the financial performance of real estate portfolios and encompasses the complete life cycle of the property: from the acquisition through the operation and on to the sale of the property.

YOUR FAMILY WEALTH IS WORTH TAKING GOOD CARE OF.

Oruga Group provides prestigious offers to private clients and their families. The breaking point of bespoke service is the strategic expertise we give to our clients, helping them structure European assets in a way that safeguards wealth for the next generations. We coordinate tax and legal advice on new and existing asset structures, informing about privileges that asset owner obtains when investing in a specific market. We help our clients make sure their existing asset structures remain optimal, obtain all permissions for immigration procedures and asset purchase permits. We continuously monitor the rules and regulations in jurisdictions in Europe, and we advise our clients on efficient and effective immigration procedures.
